Before you begin:

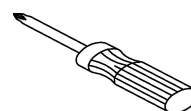

- Please take note of different standards and regulations that are dictated by your local plumbing codes. This product is certified in accordance with North American building codes.
- We insist that you use services of a professional plumber with experience in the installation of similar fixtures.
- Ensure that the interior of the water pipes is clean from debris, sand, solder and any other residue.
- Remove the cartridge, Purge the water supply system for around 30 seconds, and then carefully reinstall the cartridge.
